

Making An Inference

INFERRENCE / HYPOTHESIS SKILLS

INFERRENCE the comic strip disaster

Look at the following pictures. Try to figure out what happened in the missing picture

draw in the missing picture

K What do I know about the girl by looking at the comic?

W What do I want to know about this comic strip?

L What did I learn about inference and hypothesis?

What happens in picture 2?

Are you positive about your answer? (is this the only choice that will work?)

How is an inference different from an observation?

think - pair - share

word - inference
my definition of inference
my teams definition of inference
my class definition of inference

Journal entry for _____ date

what I learned

what we did

proof of what I learned

explain the think-pair-share method of defining a word

standards 55d, 56d, 57b, 57a, 56b, 6.RL.4

our goal is to learn how to make an inference or hypothesis
