

my piece of the
neighborhood

buds

and
next
years
leaves

Why are "buds"
on the ends of branches?

Cut the tip off a branch
from your site and attach
the bud here

draw a picture of the bud

Unit 4- Interdependence
Thermoregulations in plants-
LE 1.2a LE 5.1a,b,f,g -
adaptations for survival

date _____ time of visit _____
air _____ cloud _____
temp _____ cover _____
weather _____
conditions _____

tell about snow this
winter (so far) on your
site

What is snow?

data February

our goal is to find out how buds help trees and bushes and to talk about snow
